

Sri Lanka

Show length: 40 minutes

Lying off the southern tip of India, the tropical island of Sri Lanka has been colonized by the Portuguese, Dutch and British before achieving independence in 1948. Devastated by their Civil War of 25 years and the tsunami in 2004, Sri Lanka is now on the road to recovery.

The most inviting people we have ever met! We were welcomed into their weddings, homes, workshops and hilltop fortresses.

We also have a presentation on their splendid religious sites.
